## LM TOM talks to the market

### Shirine Khoury-Haq blog: we have come a long way

The market has undergone a seismic change in its ability to make London an easier place to do business, says Shirine in her final blog. [» Read more](#)

### Bronek Masojada on the importance of using PPL from submission to renewal

Every day we get closer to becoming the world's first insurance market where the majority of risks are placed electronically but to get the full benefit of PPL it must be used fully, says the CEO of Hiscox and Chair of PPL. [» Read more](#)

### Just do it, once

Ian Fantozzi, COO of Beazley and Market Sponsor of the Delegated Authority solution of LM TOM, urges the market to get on board with DA SATS and reap the rewards of a more efficient process. [» Read more](#)

## The market talks to LM TOM

### Willis Towers Watson: great strides forward in adopting PPL

Willis Towers Watson has made great strides forward in using electronic ways to place business and adopt PPL. Tony Moore, Technical and Operational Practices Manager at Willis Towers Watson, explains more about the firm's approach. [» Read more](#)

## London Market TOM Solutions

### LM TOM Solutions update

Each month we report on the progress of LM TOM's core Solutions as we continue on our mission to make London an easier and more cost-effective place to do business. [» Read more](#)

#### Placing Platform Limited

##### Join a market discussion on how PPL is impacting the future of the London Market

Hosted by Bronek Masojada, CEO, Hiscox, and Chair of Placing Platform Limited (PPL), the events will also include senior representation from PPL and the market associations. Join one of the sessions in April and find out more about how electronic placement is impacting the future of our market.
