LM TOM talks to the market

Our market is evolving. Are you evolving with it?

As phase 2 of the London Market modernisation campaign gets underway PPL Chair, Bronek Masojada, urges the market to get behind the campaign and support electronic placement which is making London easier and cheaper to access for our customers. [» Read more](#)

Maintaining momentum on electronic placement

Take a look at the latest video on market adoption of PPL, listen to what firms have to say about their experience of PPL so far and how they plan to maintain momentum on the platform going forwards. [» Read more](#)

The market talks to LM TOM

Traditional marine leads the way forward

Heather Clarkson, Managing Director, Marine, Ed Broking, spoke to the LM TOM and PPL teams about why the firm's Marine team is passionate about modernising the London Market. [» Read more](#)

LMA appoints Andrew Brooks as next Chair

Andrew Brooks, Chief Executive Officer of Ascot Underwriting, has been appointed the next Chairman of the Lloyd's Market Association (LMA) with effect from 1 January 2019. [» Read more](#)

London Market TOM Solutions

LM TOM Solutions update

Each month we report on the progress of LM TOM's core Solutions as we continue on our mission to make London an easier and more cost-effective place to do business. [» Read more](#)

Delegated Authority

Market adoption of DA SATS takes off
Market adoption of DA SATS, which went live in September, is progressing well. The DA SATS platform enables the quick and convenient submission of risk, premium and claims data across the London Market. More information on DA SATS can be found [here](#). [» Read more](#)

Contract signed for next wave of delegated authority tools
The LMG has announced that a contract has been signed with Sequel to deliver a faster and more efficient solution for approving and registering coverholders, and a new integrated tool for generating delegated authority binder contracts. [» Read more](#)

Placing Platform Limited

PPL completes the class roll out with treaty reinsurance go live
The board of PPL Ltd announced that the treaty reinsurance class of business went live on the platform on 15 October, completing its roll out of products. PPL's focus will now be on continuous improvement of the technology, functionality and usability of the platform. [» Read more](#)

Data Integration

Market Business Glossary continues to evolve with coverholder standards updates
The LM TOM's Market Business Glossary, which now has 815 users from 189 organisations, has been updated with Coverholder Reporting Standards Version 5.1. The standards make it easier for coverholders to work with the Lloyd's market by creating a consistent request for data from coverholders and third party administrators (TPAs). [» Read more](#)

LM TOM Integration Support

LM TOM event highlights the importance of system integration for the London Market
Over 100 technologists from 36 organisations attended the LM TOM Integration event in late September. The event catered for technology specialists who need to know why or how they should integrate to the LM TOM Solutions which are making London more accessible to our customers by providing more efficient and cost-effective services that better meet their needs.
